The inclusion of these links, directories, and search engines on the website is solely intended to facilitate users' search for and access to information, content, and services available on the Internet.

The establishment of such links does not necessarily imply the existence of a relationship between IRONCHIP and the owner of the website accessed, nor the acceptance or approval by IRONCHIP of its content or services.

Unless expressly stated otherwise, IRONCHIP does not offer or market, either on its own behalf or through third parties, the information, content, and/or services available on the linked pages, nor does it control, approve, or monitor them in advance, nor claim ownership over them. Therefore, the user must exercise extreme caution when evaluating and using the information, content, and services available on the linked pages.

Since IRONCHIP has no control over the pages linked through the website, the user acknowledges and agrees that IRONCHIP assumes no responsibility for the content or services that the user may access on such pages, nor for the products marketed on them.

Nevertheless, in such cases, IRONCHIP shall take reasonable measures to restore access and functionality of the Website as soon as possible.

Notwithstanding the foregoing, IRONCHIP shall not be liable for delays, failures in the operation or performance of the Website, or for interruptions, suspensions, or anomalies in its contents and/or services when such inconveniences are the result of unforeseeable and unavoidable events, such as natural disasters (earthquakes, floods, lightning, or fires), force majeure situations, extreme emergencies (wars, armed conflicts, military operations), civil unrest, strikes, lockouts, or any other unforeseen events beyond its reasonable control.

The user acknowledges and accepts that the use of the Website, its contents, and services is carried out under their sole responsibility.
